# LICENSE AGREEMENT

## PAID ASSETS

---

### PERMITTED USES:

**Use Within License Type:** You may use the Asset according to the license type purchased (e.g., Personal License, Commercial License). All assets downloaded from PIXPINE.COM can be used for Personal and Commercial uses under this agreement

### PROHIBITED USES:

**Resale or Redistribution:** You can not resell, redistribute, or sublicense the Assets to any third party.

**Claiming Ownership:** You may modify the Assets for your specific needs, but you can not claim ownership of the Assets or any part of them. All rights, title, and interest in the Assets remain with PIXPINE.COM.

**Unlawful or Harmful Use:** You can not use the Assets for any illegal or harmful purpose, including creating content that violates the rights of others or promoting discrimination or hate speech.

## FREE ASSETS

---

### PERMITTED USES:

**Personal Use:** You may use the Assets for your personal projects. This includes using the Assets for your own creative projects, education, or personal enjoyment.

**Commercial Use:** You may use the Assets for commercial purposes, such as in your businesses, projects, and products. This includes but is not limited to, incorporating the Assets into websites, presentations, marketing materials, and merchandise.

### PROHIBITED USES:

**Modification:** You may modify the Assets for your specific needs, but you cannot claim ownership of the modified Assets. The original copyright and ownership remain with the Company.

**Resale or Redistribution:** You can not resell, redistribute, or sublicense the Assets to any third party, whether as part of a package or individually.

**Unlawful or Harmful Use:** You may not use the Assets for any illegal or harmful purpose, including creating content that violates the rights of others or promoting discrimination or hate speech.

**Access:** You can not provide direct or indirect download links of any Assets which is property of PIXPINE.COM on your or any third-party website. However, we appreciate that if you could backlink to PIXPINE.COM.
